About Us

Vikas Gupta
Founder & Director

Vidya Infotech Technical Training Institute was founded in 2006-07 by Mr. Vikas Gupta with a mission to empower youth through job oriented professional computer education. Over the years, we have successfully trained thousands of students, equipping them with the technical skills needed to excel in today's fast-paced digital world. Many of our trained students are now thriving in various esteemed organizations, contributing their expertise in diverse fields.

Our vision is to make technical education accessible to every youth at a affordable cost, helping them build a strong foundation for a successful career and a brighter future.

The Institute is registered by Uttar Pradesh Government with registration no. 1258/2006-07. It is also recognized by MSME (Micro, Small and Medium Enterprises is the ministry in the Government of India) and ISO 9001 : 2015 Certified.
